Equipment Needed

The ability to sign on to Zoom is a must unless you like guessing why you aren't included. You don't need anything special to play most of the games, but a desire to be part of the fun! A drink and some snacks are always a good idea, and the willingness to call "time out" when you have to go pee! You may need a witting instrument for some game. And one game (#7) you'll need a 16 oz. Solo cup. If not available, you can improvise, but please not with your crystal. Or just watch, it's always fun.

All other materials I will EMAIL TO YOU. Some things should be printed prior to the start, and some may need to cut into smaller pieces. (*NEVER DRINK WITH SCISSORS IN YOUR HANDS*)

SO SIGN UP NOW TO GET YOUR MATERIALS
